Information on Precautionary Guidelines for Covid19.

26.04.21

Dear Owners and Residents

We hope all of you are taking adequate precautions for yourself due to the spread of COVID19. No resident should feel alone in this fight and be assured of solidarity and support from the Association at all times. Following are a few situational guidelines for residents of Akankha Radhachura;

1. Residents can call and inform our President, Mr. Mintu Dey @ 9831151994 or Secretary, Ms. Dipanwita Dey @ 9051624898, if they get a positive test result. The Association shall extend all the needful support upon intimation. Residents should stay in quarantine inside their flats for two weeks and come outside once a negative test report is received.
2. Association will get in touch with the concerned resident and be the one point contact for assisting and delivering with all necessities at the door step of his/her flat through out the period of quarantine. Residents will have to however make own arrangement for payment of the goods and services availed.
3. Maidservants, Services-staff or Visitors other than Medical personnel should not be allowed inside the flat during the period of quarantine. Garbage of Covid Flats will be collected separately at a fixed time from the flat and disposed separately.
4. Find below few important emergency helpline nos. for Covid 19 patients issued by Department of Health & Family Welfare, Govt. of West Bengal :

Integrated Helpline : 1800 313 444 222
Direct Telemedicine Line : 033 2357 6001
Ambulance Services : 033 4090 2929

We must continue to stay safe by following simple precautions such as physical distancing, wearing a mask, keeping rooms well ventilated, avoiding crowds, cleaning hands, and coughing into a bent elbow or a tissue.

Seeking your kind co-operation to keep Akankha Radhachura safe and healthy.

Sincerely,

For & behalf of Akankha Radhachura Apartment Owners' Association.

Mintu Ranjan Dey

President
